

Accredited as an ETQA Body in terms of the South African Qualifications Act

Certificate of Accreditation

This is to certify that

TJEKA TRAINING MATTERS

has been accredited by the Construction Education and Training Authority's Quality Assurance Body to fulfil the functions as contemplated in Regulation 1127 of the SAQA's ETQA Regulations for the Standards or Qualifications detailed in the Letter of Accreditation issued to it and listed also on the CETA's website. The above-mentioned Training Provider has agreed to be bound by the CETA's Code of Conduct for Training Providers and to display such Code of Conduct in a prominent place in its offices.
