ACCREDITATION NUMBER: 5P5261

This letter serves as confirmation that **TJEKA TRAINING MATTERS (PTY) LTD** has been granted an extension for accreditation to offer one or more of the Historically Registered Qualifications (HRQs). The HRQs for which you have been granted an extension of accreditation by the Construction Education and Training Authority (CETA) are part of the nineteen (19) qualifications extended by the Minister of Higher Education as published in the Directive on the Implementation and Transitional Arrangements for pre-2009 Qualifications (under SAQA Act, 1995 (Act 58 of 1995), Government Gazette Number 50742 on 3 June 2024.

This extension includes the relevant practitioners and unit standards currently registered under your entity as per the gazette.

The period of accreditation is valid as follows:

Accreditation Extension Start Date	Accreditation Extension End Date	Last Date for Learner Enrolment	Last Date for Learner Achievement
12 August 2024	30 June 2029	30 June 2026	30 June 2029

List of Qualifications

Qualification ID	Qualification Title	Level
65409	National Certificate: Building and Civil Construction	3

20486	National Certificate: Surveying	4

65949	Further Education and Training Certificate: Supervision of Construction Processes	4
23683	National Diploma: Management of Civil Engineering Construction Processes	5
23675	National Certificate: Management of Building Construction Processes	5

The total credits of the qualification will be determined by the detailed scope the provider is accredited for.

CETA will conduct monitoring visits to ensure the standard of your training is in line with the Learning Pathways and Quality Development (LPQD) provisions, and as per your Quality Management Systems.

You will be contacted in this regard.

We trust you will ensure all requirements are met and look forward to your continued contribution to quality education and training.

In respect to your Accreditation your attention is drawn to the following LPQD provisions:

1. The CETA accepts that secondary providers can use all their recognized facilitators and registered assessors.
2. All providers are to ensure that the CETA Head office is notified of any training taking place prior to the commencement date.
3. All providers are to ensure that only learners complying with qualifications' entry requirements be accepted on accredited training; Register all learners within a week from commencement on the CETA Indicium System.
4. Register and update all learner assessments on the CETA Indicium System after the learner has been deemed competent on a specific unit standard.
5. Inform the CETA within ten (10) working days of any changes to facilitators and/or assessors employed or to the status quo that would affect the applicant's competence.
6. Allow any authorised personnel of the CETA entry to the training premises to conduct auditing and monitoring activities and to moderate internal moderation relevant to the scope of accreditation.
7. Training providers are only allowed to conduct training and assessment on CETA qualifications and unit standards for which they are accredited on by CETA.
8. Your accreditation is on the basis that your current site complies with the requirements, should the provider wish to move to a new or a satellite training site, a new application for accreditation must be submitted.

NB: SKILLS DEVELOPMENT PROVIDERS ARE ADVISED TO APPLY FOR OCCUPATIONAL QUALIFICATIONS FOR ACCREDITATION AT QCTO
